CULINARY SERIES

CULINARY SERVICES

At Englewood Community Hospital, your health is our priority. Our meats, poultry and seafood are hand-selected and freshly prepared for each meal. Our menu items have been selected based on minimally processed clean food, GMO free, antibiotic free, organic, and sustainably sourced. Each season, we select the finest fruits and vegetables for our menu. Quality ingredients inspire our team of chefs and cooks to prepare foods with creative American flavors and regional influences. Our commitment to natural ingredients is just one way that our culinary and nutrition team is creating unforgettable flavors and healthy benefits for your body.

We sincerely hope you enjoy our quality and service during your stay.
